

The Art of One.

Interchangeable Barreled Actions

The standard barreled action with a blued finish is available in 18 calibers. A matte hard chrome finish is also available in all 18 calibers, and barreled actions in both finishes are available with or without muzzle brakes. Barreled actions without muzzle brakes are threaded and capped, so you can add a muzzle brake later. Prices listed below are suggested retail.

Black action: \$319.00
Black action with muzzle brake: \$418.00
Chrome action: \$359.00
Chrome action with muzzle brake: \$469.00

If you relish the challenge of single-shot hunting or sport shooting, the Lone Eagle™ Pistol is the premier pistol of its kind. But with the Lone Eagle's™ component-based design, you're not restricted to one caliber. By simply switching barreled actions, you can change calibers in a second or two.

The First Step. Begin with the foundation of the Lone Eagle™ Pistol, an ambidextrous grip assembly. This streamlined stock is made of Hyloy 610, a rugged polymer. Suggested retail is \$119.00.

The Second Step. Pick your caliber or calibers from our selection of interchangeable single-shot actions listed below left. (You must see your dealer to obtain the grip assembly and barreled actions.)

The Third Step. A grip and a barreled action make your Lone Eagle™ Pistol functionally complete, but you'll probably want to add mechanical sights, or optics and a scope base, to get the most out of the gun.

Muzzle Brakes

Black muzzle brakes retail for \$99.00. Chrome brakes retail for \$110.00. They are available from your dealer or directly from Magnum Research. Please order using the part numbers charted below.

Muzzle Brake Part Numbers

	Black	Chrome
.22 Hornet	MB22	MB22MC
.223 Rem.	MB22	MB22MC
.22/250 Rem.	MB22	MB22MC

Shoulder holster, LEP w/open sights (not shown)	LEP250B/R	\$49.95
Bandolier holster, scoped LEP	LEP268B	\$59.95
Bandolier holster, scoped & braked LEP (not shown)	LEP265B	\$59.95
Nylon web belt, medium (to 36" waist)	DEP275B	\$24.95
Nylon web belt, large (to 42" waist)	DEP276B	\$24.95

The Lone Slingers

Black nylon slings help steady your aim. Considerably longer than standard rifle slings for greater range of adjustability (ship longer than shown). Unique VAP Strap (at left) attaches to just one point on pistol. Comes with sling swivel, QD stud, adjustment buckle and quick-detach clip. Traditional Mountain Sling attaches to two points of pistol, measures 84" x 1 3/4". Comes with sling swivels, adjustment buckle, and non-slip strip on inside of sling. Purchase split barrel band/QD stud set separately. Band installs without drilling or tapping; QD stud attaches to base of grip.

VAP Strap	LEP360	\$19.95
Mountain Sling	LEP361	\$19.95
Split barrel band/QD stud set	LEP355	\$9.95

Lone Eagle™ Wear

100% preshrunk cotton T-shirt features black & metallic gold silk-screened illustration on back. Design depicts the 19th-century French cannon whose rotating breech inspired the Lone Eagle™ Pistol. Front features gold, silver & red Lone Eagle™ logo. Color: natural. Cap is cotton canvas embroidered with the Lone Eagle™ logo. Body is natural, bill is spruce. Shirt is U.S.-made, cap is imported. Also available: "3-D" style silver Lone Eagle™ pin with black trim.

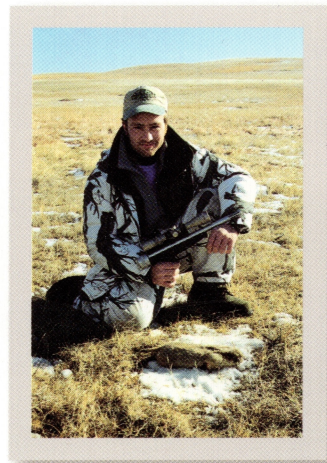

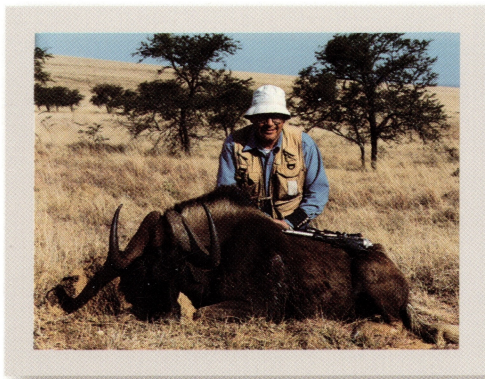

Lone Eagle T-shirt (L, XL or XXL)	LEP752	\$9.95
Natural/green Lone Eagle cap	LEP701	\$9.95
Lone Eagle pin	LEP713	\$5.00
Lone Eagle patch (not shown)	LEP710	\$5.00

The Lone Range Bag

Lightweight pistol case in black 1050D ballistic nylon measures 18" x 10". Embroidered with 4-eagle design. Padding, self-healing zipper, outside zip-tuck pocket. Holds LEP with or without muzzle brake, with open sights or scope. Made in the U.S.A.

Pistol case, 18" x 10" DEP503B \$49.95

Trophy Club: The Art of the Hunt

Hunters who hunt with the Lone Eagle™ or other Magnum Research products are invited to join the Magnum Research Trophy Club. When you join, you will receive a certificate of membership and a free Trophy Club T-shirt. Just provide some basic written information and a photograph of yourself with the trophy and the pistol or rifle you used. Your name should be noted on the back of the photo, and the following information should be noted on a 3" x 5" index card:

- Name and Address
- Type of animal
- Type and caliber of firearm (must be a Magnum Research product)
- When and where the hunt took place
- Other interesting details or circumstances

Entries should meet the following guidelines:

- 1) Any game harvested in a fair chase is a "trophy."
- 2) The photo should be tasteful. The hunter and the firearm should both appear in the photo with the trophy.
- 3) The photo should be taken at or near the site of the hunt (not in the hunter's den with a mounted trophy).

Photos and facts may be used in Magnum Research's promotional materials. (Photos cannot be returned.)

Trophy Club photos and cards should be sent to:

Magnum Research, Attention: Trophy Club, 7110 University Avenue N.E., Minneapolis, MN 55432.
